

TRAFFIC SCHOOL INFORMATION

Demerit points are reported to the DMV fourteen days after the disposition of a case. You may attend traffic school to prevent points being reported to the DMV. You must present your certificate of completion of a traffic school to the court within fourteen days after paying your new citation online or entering a plea in person at the court. All moving violations that are four or fewer points will be amended to a parking citation with the completion of a Level 1 Nevada Traffic School. Any moving violation worth five or more points will be amended to a parking citation with the completion of a Level 2 Nevada Traffic School. The point value of most moving violations may be checked on the Nevada DMV's website <http://dmvnev.com/dlpoints.htm>.

Completion certificates may be submitted to the court in person, faxed to 702-633-2483 or e-mailed to Courtprograms@cityofnorthlasvegas.com.
